## DISCLAIMER OF LIABILITY

These color samples are as close as possible to actual colors offered, within the limits of color chip reproduction. The color chips shown are representative of the range of colors available. Final color approval for all metallic colors should be made with applicator prepared production line samples.

It is incumbent upon the purchaser to make careful tests to determine the suitability of any Crescent product for his intended use and particular production requirement. Because the end use of our product is beyond our control, we are not responsible for the results obtained, and no warranty or guarantee expressed or implied, is made with respect thereto.
