Fire Made Simple

Electric

Inception Fireplace

Game-changing Technology

Authentic, digital flames come to life with Digital Spark™ technology, which combines the latest in imaging technology and fire content to deliver a true-to-life fireside experience. Choose from a range of wood or gas fire backdrops and sounds to enhance the ambiance. Enjoy a 36-inch wide opening with no glass or glare to interrupt the view.

Watch it Burn

Controls – Personalize your fireplace

ON-FIREPLACE BUTTONS: Control the flame, heater and lights with buttons on lower right of fireplace.

 **Flames:** Flames On/Off; Fireplace Off

 **Heater:** On/Off

 **Lights:** High/Medium/Low/Off

REMOTE CONTROL: Utilize the menu to easily control your fire experience with advanced options like brightness adjustment, timer, thermostat, heater (5,000-10,000 BTUs) and diagnostics.

INTELLIFIRE APP: Connect Inception to the IntelliFire app to operate your fireplace and control using smart speaker

Cover: Inception fireplace with Tranquil Greige Herringbone interior panels, oak logs and Chateau Forge front.

Left Above: Inception fireplace with reflective Black glass interior panels, birch logs and Folio front.

Left Below: Inception fireplace with Castlestone interior panels, oak logs and Folio front.

“Build” Your Fire

Personalization is at your fingertips with Digital Spark™ technology. Choose from a range of backgrounds and fire types, designed to deliver the most authentic, electric fireside experience yet. Enhance the ambiance with natural sound effects.

Birch Logs with Black Traditional Stacked Brick interior panels (Mature Wood Fire)

Birch Logs with Reflective Black Glass interior panels

Oak Logs with Castlestone interior panels

Oak Logs with Serene Jute interior panels

Fronts

Folio Front

Casual, simple design blends the fireplace into its surroundings.

Halston Front

With its simple form and heavy construction, this front creates a timeless design that will never go out of style.

Chateau Forge Front

A hammered forged look is tried and true as a high-end look for your traditional fireplace.

The optional Wescott Mantel Kit allows for Inception to be added to any room - no construction needed; mantel is paintable.

Inception fireplace with Black traditional stacked brick interior panels, birch logs, Folio front and Black painted Walker mantel kit.

Inception fireplace with Tranquil Greige Herringbone interior panels, oak logs and Halston front with Wescott mantel kit.
